

Declaration of Compatibility between Battery System and Inverter

We

Certificate holder *Contemporary Nebula Technology Energy Co., Ltd.*

declare under our sole responsibility, that the selected inverter model is compatible with the specified battery system and possesses the following technical specifications:

- Battery system model

Product	Trade Name	Model Number
Rechargeable Li-ion Battery System	YOSHOP	BB-LFP-100Ah-P

- Inverter model

Inverter Brand	Inverter logo	Model Number
Deye		SUN-3/3.6/5/6K-SG04LP1-EU SUN-5/6/8/10KSG04LP03-EU S6-EH1P(3-6)K-L-PRO S6-EH1P8K-L-PRO
Solis		S6-EH1P(3-6)K-L-EU RHI-(3-6K)-48ES-5G
SAJ		Sunferr Series/H1-3k-S2
Luxpower		LXP-LB-US 7.6K
SOFAR		HYD3000/3680/4000/4600/5000/6000-EP
SMA		SI4.4M/SI6.0H/SI 8.0H

-Note: The battery power of the matching inverter shall not be higher than the rated discharge power of the battery system.

福建时代星云科技有限公司

CONTEMPORARY NEBULA TECHNOLOGY ENERGY CO. Ltd.

-Compatibility Confirmation: It has been verified that the battery system and inverter meet the required technical specification, ensuring stable operation of the system and maximizing efficiency and performance.

This declaration applies only to the specified battery system and inverter models. Additional confirmation and testing may be required for other models.

Manufacturer: *Contemporary Nebula Technology Energy Co., Ltd.*

Address: No. 26-1, Majiang Road, Mawei District, 350000 Fuzhou City, Fujian Province, PEOPLE'S REPUBLIC OF CHINA
